Response to Amendment

The reply filed on 9/30/02 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The amendment filed 9/30/02 is not fully responsive and will not be entered for the following reasons. Amendments to the specification could not be entered because the page and line numbers in which changes are to be made do not correspond to the specification as originally filed. For example, the amendment states amending paragraphs at page 7, line 4, to page 8, line 6. However, page 7 of the original specification does not contain line 4 of text. This is just one example in which amendments could not be entered. The reply is replete with errors of this kind. Further, applicant adds new claims 22-28. However, original claims 1-23 already exist. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
